## SHARP mentors needed

The Education Programs Department is initiating the 2002 Summer High School Apprenticeship Research Program (SHARP). SHARP is an eight-week paid apprenticeship for high school students who reside within commuting distance to a NASA field installation. Marshall will be placing between 20-26 students and will need mentors for each. If interested in becoming a mentor, call Alicia Beam at 544-2849.

**For tickets to the  
Martin Luther King  
Unity breakfast  
Jan. 21, see  
Madeline Hereford  
in Bldg. 4200,  
room 716**

**For NASA  
Fellowship  
Program details,  
call Vanessa  
Suggs at 544-7527**

## Founder of Griffon Aerospace to speak at AIAA meeting

Larry French, founder of Griffon Aerospace and chief designer of the Lionheart aircraft, will speak at the Jan. 17 dinner meeting of the local chapter of the American Institute of Aeronautics and Astronautics (AIAA). The meeting begins at 6:30 p.m. at the Radisson Suite Hotel on Memorial Parkway. Regular admission is \$20, student admission is \$10. To attend, send an e-mail to [ArloeWJr@cs.com](mailto:ArloeWJr@cs.com) no later than Jan. 14.

## New fitness center open

The new fitness center on Digney Road is open. Employees who had lockers in Bldg. 4752 may select lockers through Jan. 25. After Jan. 25, all members will have the opportunity to rent the remaining lockers.

**Energy tip:  
passive solar  
heating and  
cooling helps cut  
energy costs**
